

Hi, sorry to interrupt you. My name is Barry, and I'm with Company. We help homeowners find quality, local contractors like painters and roofers. We're wondering if you're planning any work on your home in the next 6-8 months.

(Hand them a flyer.) Let me tell you just a little bit more about what we offer.

Our contractors start with recommendations from homeowners like you. We make sure they're licensed and bonded, don't have lawsuits and complaints, just like you would. We talked to their recent customers, and made sure they were happy with their work and the way they were treated. The contractors we chose show up when they say they will, complete projects on time and on budget, even clean up after.
